## OUR HEROES ARE MADE AT KANGAN INSTITUTE

**Kangan Institute is one of the largest and most trusted education and training providers in Victoria. With more than 90 years of educational excellence backed by industry connections, our graduates learn real skills and gain the confidence to succeed in life.**

With an established network of industry partners and a strong reputation with employers across Victoria, our courses are developed to respond to their employment needs. We ensure our training is relevant and will provide you with the skills and knowledge you need to match the demands.

We focus on providing you with work-ready training including practical, hands-on experience, industry projects and work placements.

HEROES

Kangan Institute acknowledges their campuses are located on the ancestral lands of the Wurundjeri people of the Kulin Nations. The institute respects traditional custodians, Elders and their cultural heritage.

# A LEADER IN VOCATIONAL TRAINING

## WHAT IS VET DELIVERED TO SECONDARY STUDENTS?

VET Delivered to Secondary Students (VETDSS) enables you to get real hands-on experience within a chosen industry, obtain a nationally recognised/accredited qualification and increase your career prospects by combining your secondary school studies with a Vocational Education and Training (VET) program.

## WHAT ARE THE BENEFITS?

- Provides the skills and ability to achieve competencies which will enhance your employment and further training prospects.
- Provides 'work-ready' knowledge and skills applicable to a variety of career paths in your chosen industry.
- May shorten the duration of an apprenticeship program after Year 12 through credit recognition and articulation arrangements.

## GUARANTEED PATHWAYS

Students who successfully complete an eligible VETDSS course through Kangan Institute will be guaranteed a place in a pathway course - giving you peace-of-mind when it comes to your study choice after secondary school

## WHERE TO FIND OUT MORE ABOUT VET

To find out more information on how VET contributes to the VCE-VM, ATAR Contributions and Block Credits you can visit the VCAA website at: [vcaa.vic.edu.au](http://vcaa.vic.edu.au)

VOCATIONAL

# THINGS YOU SHOULD KNOW

## PLACE ALLOCATION

For courses that run over two years, priority will be given to students in Year 11 for the first year. Year 12 students will not be accepted into the first year of a two year program.

Running of courses is dependent upon sufficient student numbers. Courses may be cancelled if minimum course numbers are not met.

## PROGRAM COSTS

All VETDSS programs offered through Kangan Institute incur fees. Schools are notified of program costs in September. Program costs vary for each program. Kangan Institute invoices the secondary college directly for all programs and any student fees payable are set by the individual secondary colleges. All costs are invoiced directly to schools four weeks after the commencement of the program. Kangan Institute will not directly invoice VETDSS students or their parents.

## COURSE REQUIREMENTS

1. Absences: Students are required to notify their VET coordinator of non-attendance. Students must attend a minimum of 80 percent of a Kangan Institute VET program.
2. Punctuality: Students are expected to arrive on time to all classes. Students who arrive more than 10 minutes after the class has started will be marked as late and their secondary schools will be notified. In some practical areas due to OHS students may be refused entry if late.
3. Catch-up classes: Students may be required to attend catch-up classes after school or during school holidays.
4. Code of Conduct: Students are expected to behave in a professional and courteous manner at all times; discipline procedures do apply.
5. Withdrawal: Students who wish to withdraw from a VETDSS program must contact their VET coordinator who will inform Kangan Institute. Schools will not be charged a fee if a student withdraws before census date.
6. Communication: Kangan Institute communicates directly with schools regarding the progress of students. Parents should direct queries to their school's VET coordinator who will contact Kangan Institute on their behalf.

*Please note that students who fail to abide by these course requirements may be withdrawn from the Kangan Institute VET program and will be charged for the full cost of the program.*

## DELIVERY OPTIONS

All VETDSS programs are delivered on site and require students to attend a Kangan Institute campus. Where programs may have some delivery on-line, schools and students will be notified of the timetable in advance.

# HOW TO APPLY

1. Select a program from this VETDSS Course Guide.
2. Contact the VET coordinator at your school to discuss eligibility and confirm costs.
3. The VET Coordinator at your school will apply via the VETDSS Portal.
4. Kangan Institute will notify schools of successful student applications. Your school will then notify you of times, campuses and equipment requirements.

# CAMPUS LOCATIONS

## **Cremorne**

### **85 Cremorne Street**

Creative + Digital Skills

Study areas: Fashion, Hair, Barbering and Beauty, VCAL, Security and Cyber Security.

This boutique campus located in the heart of Melbourne's fashion, creative and tech hub delivers innovative and relevant training.

With purpose built facilities for cyber security, refurbished spaces for our exciting creative courses, as well as a hair and beauty salon, that is open to the public, our students have access to real world experiences and industry leading products and equipment. Our Textile and Fashion Hub is an industry based training centre, providing a unique opportunity for students to test garment design against modern manufacturing standards which is equipped with the latest automated knitting machines.

## **Essendon**

### **38 Buckley Street**

Study areas: Health, Nursing, Pathology, Allied Health, Health Services Assistance and Individual Support.

Our newly refurbished Essendon Health Hub is located in the leafy surroundings of Melbourne's north.

Offering high quality teaching and specialist training with the latest equipment and technology our Health team also assist with opportunities for placements and employment support.

## **Docklands**

### **1 Batmans Hill Drive**

Kangan Institute's Automotive Centre of Excellence (ACE) is one of Australia's largest automotive training campuses offering dedicated state-of-the-art facilities and houses new workshop spaces, a world-class vehicle and emissions testing centre and a purpose-built auto electrical lab. The ACE is a unique blend of industry and learning environments and has won many prestigious environmental awards including the Victorian Urban Award of Excellence and has also been awarded a 5-star Green Star rating by the Green Building Council of Australia. In the midst of hustle and bustle of central Melbourne, the Docklands campus is easily accessible by tram, bus and train.

## **Broadmeadows**

### **Pearcedale Parade**

Study areas: Trades, Foundations, Business, IT, Community, Hospitality, Animals, Plants and Sciences.

Kangan Institute's largest campus is situated in the north west of Melbourne, in a culturally diverse neighbourhood. The campus offers a wide range of courses, support services and is home to our Indigenous Education Centre (IEC), where the Indigenous people of Australia can learn in a supported and caring environment.

Our fully-licensed training restaurant gives our hospitality students real work experience in a real restaurant while they study. Offering a modern and eclectic menu and an extensive wine list, Richards Restaurant is also host to various themed events and fundraising dinners throughout the year.

**ADRIAN**

Building & Construction

“Through Kangan Institute, I’ve gained a lot more knowledge about the building industry and how my life could change through and what direction I can lead myself into. I’m a bit hands-on so I find the building industry more interesting than others because I like creating things. I’ve built a few saw-horses, a gazebo, garden arbour (through the WorldSkills competition) and wall frames.

I have a job at the moment. I work in domestic building and I love it. I want to run my own business as soon as I finish my apprenticeship. I plan on having my own apprentice and to have people work for me and later on become a full builder.
