TAFE VICTORIA

STUDENT OF THE YEAR 2023

The world was not getting any easier, my life was not getting any easier, and it was about time that I did something I was really passionate about.

The foundation and scaffolding of learning that I had at Kangan Institute has definitely prepared me for the next steps. There's no way I would have thought that I would have been able to achieve what I have achieved, and then to be nominated for an award.

The Indigenous Education Centre (IEC) at Kangan Institute is an innovative environment that fosters and promotes Indigenous learning, while supporting Indigenous students undertaking study and training in a wide array of courses across the institute.

Honouring the traditional landowners of the area, the Gunung-Willam-Balluk and Wurundjeri peoples, the centre merges the cultural heritage and values of these landowners with contemporary Aboriginal culture and strong networks with key Aboriginal organisations to ensure that our students are supported through their time with us.

As one of the state's largest providers of training and education, Kangan Institute delivers a wide range of courses and programs. Our courses are designed in consultation with communities and employers which means that Aboriginal students gain skills and knowledge while improving their networks and employment options.

We support students engaged in a variety of courses across the institute and conduct a number of events through the year, celebrating Aboriginal culture and key milestones to which all the students are invited to along with their friends and family.

Most importantly, we have a dedicated Koorie Student Support Officer, Koorie Liaison Officer as well as a Koorie Engagement Mentor based at the IEC to assist students in accessing the full range of support services and assistance in dealing with government agencies and other relevant organisations.

To speak with one of our Koorie Liaison Officers please contact us on 1300 328 329.
