DEXT

Expense Management Application

What is it?

Dext revolutionises bookkeeping for small businesses by automating the collection and data extraction of accounts payable. Simply submit your receipts and invoices as you go using the mobile app or scan and submit them online – and let Dext take care of the rest.

FEATURES

- The software automatically extracts the relevant data and sends it directly to your accountant or bookkeeper.
- Add your whole team to gain better insights and easily process expense reports and claims.
- Your data is stored securely in the cloud so once the submission is completed, you can get rid of all your receipts. Less paper and less hassle for you.
- Bank statement and line item extraction can save you even more time.
- Fetch to pull items from popular suppliers directly.
