SUBSCRIPTIONS: VEND Point of Sales Application

What is it?

Vend is retail POS software, inventory management, eCommerce and customer loyalty for iPad, Mac and PC. Easily manage and grow your business in the cloud.

Features

- Vend is cloud-based. Sign in and work from anywhere. Your sales, product and reports are always available, safe, and up to date.
- Vend works on iPad, Mac or PC. All you need is a browser. You can even keep using POS hardware you already own.
- Continue selling even when the internet goes down, Vend will automatically resync your sales when you're back online.
- Vend works with leading merchant providers globally so you can accept any payments in your store.
- Vend connects to the best business apps in accounting, eCommerce, staff rostering and more – run your entire business online.
