MYOB PAYROLL

Payroll Management Functionality Included

What is it?

Do you already use a MYOB Essentials or AccountRight Live file to manage your business? Did you know that these products have a fully STP-compliant payroll function within its software? Talk to your advisor about using the full functionality of MYOB today.

FEATURES

- Single Touch Payroll (STP) compliant
- Store everything you need online and complete payroll with just a couple of clicks
- Employees can access payslips and timesheets online or from their mobile device
- Pay Super in minutes direct from AccountRight
- Cover all leave entitlements with zero limits
- Certified by the ATO as Superstream compliant
